

Clean Air Sarnia and Area – Meeting Agenda - October 8, 2015

4:15-4:45 – (OPTIONAL) Drop-in tour of the Aamjiwnaang air monitoring station

5:00-5:10 – Light refreshments and table top display of air monitoring equipment

5:10-5:30 – MOECC Environmental Monitoring and Reporting Branch presentation – air monitoring considerations, site selection, meteorology (Sarnia specific)

5:30-5:40 – Air monitoring-current state in Sarnia, with handouts and acronym/other descriptions – Mallory Jutzi

5:45 – 6:15 – Potential contaminants of concern for Sarnia & how these are monitored and reported on other sites. Introduce the items that have been identified as contaminants of concern from our last meeting and from our analysis of the Aamjiwnaang station, and show how these are reported on the other sites.

6:15-6:30 – Scope, name and membership – what are the air shed boundaries?

6:30-7:00 – attributes of a desirable air monitoring website-->vision/mission
